A fantasy action RPG for iOS and Android, created by Squaresoft Co., Ltd. (Formerly Square Co. Ltd.), the creators of Final Fantasy and Chrono Trigger. PRODUCT MANAGEMENT: With "The Elden Ring", a game for the next generation of smartphones and tablets, we aim to popularize a brand new genre, and we are focusing our efforts on taking the genre of action RPGs on mobile devices to the next level. We are also interested in the community that gathers around our products, in view of creating the most enjoyable products for everyone. ● Become a powerful action heroine in the role-playing game world of the Lands Between: Brave, graceful and powerful---a lady who wields the power of the Elden Ring and lives in the Lands Between, the place between the World of Law and the World of Chaos. ■ Powerful Action Heroine Become a powerful action heroine and take your destiny into your hands! There is a great power in the Lands Between---the power of the Elden Ring! When you encounter the various gods, the power of the Elden Ring will show itself and let you become the master of that world. ■ Powerful Action Heroine Avatar Become an avatar of the Elden Ring Goddesses with their help! By working together with the Elves, humans, and other races who dwell in the Lands Between, you'll be able to obtain many rewards! ■ Freedom of Choice in Gameplay Design How the Story Develops---Our game offers a variety of game routes that help you change the flow of the story. We want to offer a series of dramas that are easy for players to get involved in, that are fun for them to play, and give them a sense of accomplishment. ■ Live Server System We are offering a system where you can play anytime from anywhere---no waiting time! We are developing the game to take advantage of the features of the next-generation smartphones and tablets, and we are looking forward to making the game as enjoyable as possible to players of any nation. ■ Multilayered Story There is a multilayered story told in fragments, and the story is able to be enjoyed even when you do not read the text. You will be able to unlock scenes and learn more about the story of your characters by playing them. ■ Immersive Storytelling

- We will continue to communicate with you in June!“The referendum campaign was conducted publicly, with public spending of 2.6-billion kronor, which included the election campaign, and it was financed in full through public money,” Margot Wallström writes in the text of her book “The struggle for clean leadership – how I tried to force the hand of change when there was no political force to be found,” focusing on her role as Secretary-General of the SOS Julerås, the citizens’ movement that effectively steered the government between the Social Democrats and the Moderates. The controversial high vote for “the centre”, which went from 63.4 % in March 2011 to 68.7 % in September, can probably be placed at the feet of Wallström. Regarding the Strategic Communication 2015, she wrote: “It
